Description

This is a 41 mm replica Rolex Oyster Perpetual M124300-0005 watch from the Qing factory. This watch features a green dial and a metal bracelet. Its clean, glossy finish creates a simple, stylish design. The green color is particularly striking when paired with the right color, and it's both beautiful and timeless, with the quality that is a hallmark of Qing factory products. Other details are also impeccable.

This 41 mm watch is equipped with the precision-crafted Caliber 3230 movement, crafted using 1:1 precision molds. The striking similarity between the original and replica components is achieved, including the faithful reproduction of the highly sought-after Tiffany blue.

The exquisite details extend to the clasp engraved with the brand logo, using groundbreaking CNC engraving technology. Luminous treatment on the inside adds a

touch of brilliance to the impeccably designed design. Discover the unique features that make Rolex watches truly unique, including the use of the original SL blue luminous material.
