Description

Let's explore this replica Rolex Oyster Perpetual M124300-0003 watch from Clean Factory. This watch features a blue dial and a metal bracelet, measuring 41 mm. Its smooth, textured surface and simple, enduring design are captivating. Blue is pleasing to the eye and calming to the heart. It exudes a unique, calming, and elegant quality.

This 41 mm watch is powered by the precision-crafted Caliber 3230 movement, crafted using 1:1 precision molds. The striking similarity between the original and replica components is evident, including the faithful reproduction of the highly sought-after Tiffany blue color.

We recommend this latest release from Clean Factory's premium replica watch collection. This new Rolex Oyster Perpetual showcases impeccable craftsmanship and meticulous attention to detail.

Exquisite details extend to the clasp, engraved with the brand's logo using groundbreaking CNC engraving technology. Luminous treatment on the inside adds a touch of brilliance to the flawless design. Discover the distinctive features that make Rolex watches truly unique, including the use of original SL blue luminescent material.
