Description

323

This is a 41 mm replica Rolex Oyster Perpetual M124300-0002 watch from Clean Factory. The dial is black, and the watch is paired with a metal strap. Its design is minimalist and stylish, free of extravagant details. Despite its simple form, meticulous attention to detail is meticulously crafted, fully showcasing the high-quality craftsmanship of this replica. The simpler the design, the more it reveals its level of quality. Without excessive detail, the focus is on the overall quality of the watch. This is the strength of Clean Factory, a guarantee of quality.

Discover the latest collection of top-tier replica watches from Clean Factory. This new Rolex Oyster Perpetual showcases impeccable craftsmanship and meticulous attention to detail.

This 41 mm watch is equipped with the precision-crafted Caliber 3230 movement, crafted using 1:1 precision molds. The striking similarity between the original and replica parts is achieved, including the faithful reproduction of the highly sought-after Tiffany blue color.

The exquisite details extend to the clasp engraved with the brand's logo, using groundbreaking CNC engraving technology. The luminescent treatment on the inside adds a touch of brilliant brilliance to the perfect design. Discover the unique features that make Rolex watches truly unique, including the use of original SL blue luminescent material.

Specification

Features	
Brand	Rolex
Model	Oyster Perpetual
Serial Number	M124300-0002
Gender	Man
Movement Type	Automatic Movement
Movement Model	Cal.3230 Automatic Movement
Case Size	41mm
Case Material	904L Stainless Steel
Hands and Markers	Black-edge hands and hour markers precisely replicate the design and shape of the original
Bezel	Smooth, polished bezel crafted from 904L stainless steel, complementing the clean and minimalistic design of the watch. The bezel’s simple design ensures the dial remains the focal point, offering a sleek and refined finish.
Crystal	Scratch-resistant sapphire crystal with an anti-reflective coating, reducing glare and ensuring clear visibility of the dial. The crystal guarantees the longevity of the watch, keeping it pristine and free from scratches.
Dial	A bold, classic black dial with silver-tone hour markers and hands for a timeless look. Luminous hands and markers provide excellent readability in low-light conditions. The minimalist design keeps the focus on the simplicity and sophistication of the dia
Bracelet	Type: 904L stainless steel Oyster bracelet designed for comfort, strength, and style. Equipped with an

Oysterlock folding clasp to provide a secure, adjustable fit for all wrist sizes. The design reflects the Rolex tradition of combining luxury with practicality.
