Short Description

The Qing factory has released a replica of the Rolex Oyster Perpetual M124300-0008. The replica watch is available with a turquoise dial and is equipped with a customized 3230 movement. It has a beautiful appearance and extraordinary quality.

Description

Let's take a look at this 41mm replica Rolex M124300-0008 watch from the Clean Factory. This watch features a unique dial color, called Turquoise Blue, and is paired with a metal strap. The light blue dial offers a striking contrast. A colorful circle pattern adds a vibrant detail, creating a beautiful and endearing look. This exquisite replica watch with a touch of playfulness offers a unique wearer experience. Unique and distinctive, we look forward to its novel appeal.

The exquisite details extend to the clasp engraved with the brand logo, using groundbreaking CNC engraving technology. Luminous treatment on the inside adds a touch of brilliance to the impeccable design. Discover the unique features that make Rolex watches truly distinctive, including the use of the original SL blue luminescent material.

Discover the latest collection of premium replica watches from Clean Factory. This new Rolex Oyster Perpetual showcases exquisite craftsmanship and meticulous attention to detail.

This 41 mm watch is powered by the precision-crafted Caliber 3230, crafted using 1:1 precision molds. The resemblance between authentic and replica parts is astonishing, including the highly sought-after Tiffany blue color, which has been faithfully reproduced.

Specification

Features	
Brand	Rolex
Model	Oyster Perpetual
Serial Number	M124300-0008
Gender	Man
Movement Type	Automatic Movement
Movement Model	Cal.3230 Automatic Movement
Case Size	41mm
