Description

We present this 41mm replica Rolex Datejust M126331-0007, a factory clearance replica. The dial features a subtle pink hue and is paired with a metal strap. This watch exudes a stylish and elegant style. The Datejust's classic design has garnered widespread attention. This graceful and sentimental design has won widespread recognition. Wearing this watch will enhance your discerning and elegant demeanor.

This watch features a brown dial with faceted indexes, achieving zero color variation and a flawless finish. The strap features a three-piece design for a secure fit, and all components are electroplated for durability. The dogtooth bezel is elegantly plated in 18K gold, adding a touch of luxury to this watch.

Factory C proudly presents its first gold Datejust watch, with future releases of additional Datejust colors, including gold and rose gold. This groundbreaking electroplating style sets a new standard, addressing the issue of water leakage on watch straps and elevating the market for replica watches.
