Short Description

Clean Factory has released a replica of the Rolex Datejust M126331-0002. The replica watch is available with a chocolate dial and is equipped with a customized 3235 movement. It has extraordinary quality and an exquisite appearance.

Description

A fine piece of art! This is a 41 mm replica Rolex Datejust M126331-0002R watch, available from a factory clearance sale. The dial features a chocolate brown dial and is paired with a metal strap. The dial boasts an exceptional mirror finish, and the indices, hands, and other details are meticulously crafted, demonstrating exquisite craftsmanship. This timepiece exudes classic elegance and class.

This newly released replica showcases impeccable craftsmanship and captivating design.

This exceptional watch combines elegance with practicality, making it the perfect choice for those who appreciate fine craftsmanship and timeless style. The brown dial and faceted indices offer zero color variation, creating a flawless finish. The three-section strap ensures a secure fit, and all components are electroplated for durability. The elegant 18K gold-plated bezel adds a touch of luxury to this watch.

Clean Factory proudly unveils its first gold-tone Datejust watch, with future releases of

the model in additional gold and rose gold colors. This groundbreaking electroplating style sets a new standard, solves the problem of water leakage on watch straps, and elevates the market for replica watches.

Experience the exceptional quality and innovation of the Clean Factory Rolex Datejust M126331-0002 with a rose gold and steel bracelet.
