Description

Clean Factory ????? Oyster Perpetual M126000-0005 Tiffany Blue Dial

Welcome to Clean Factory, and we are delighted to introduce this replica Rolex Oyster Perpetual M126000 watch. This watch features a blue dial and a metal strap. The color is elegant and captivating. The luster is excellent, and the overall style is very high. The blue dial resembles the azure blue of a clear sky, which is very versatile. This blue is not intense but rather elegant and gentle.

Thank you again for choosing the Clean Factory Rolex Oyster Perpetual 36mm series. We are committed to providing excellent products and services to ensure your utmost satisfaction throughout your shopping experience.

For watch enthusiasts, it is well known that the authentic silver-dial model sells for approximately \$50,000, while the Tiffany Blue model, due to its unique color scheme, soars to over \$200,000. At Clean Factory, our attention to detail is evident. The medallion on the clasp represents a breakthrough in craftsmanship, achieved through CNC engraving with precise shape and enhanced internal polish.

The luminous material used is genuine SL blue luminous powder, which has a certain roughness and black spots, which is a feature familiar to anyone who has experienced or seen this watch. This is an inherent attribute unique to Rolex watches.
