Short Description

We would like to specially introduce to you this Rolex Submariner M126613LB-0002 replica watch released by Clean Factory. The replica watch is available in blue and is equipped with a customized 3235 movement. It has powerful core quality, stylish appearance, and is both internal and external. It is a rare high-quality replica watch.

Description

Follow us for more details on this clean, factory-replica Rolex Submariner M126613LB-0002 watch, measuring 41 mm in diameter. The dial is blue, and the matching metal strap features a silver and gold color scheme. This watch is stylish and visually striking. The craftsmanship is exquisite, the finish is excellent, and every detail is perfectly reproduced. If you're looking for a stylish and unique touch, this watch is for you. We've meticulously crafted it to satisfy you.

More details are below:

Luminous Effect: To achieve this luminous effect, we use third-party processing and in-house sourced Swiss C1+C3 luminous powder. Color consistency is crucial for achieving the luminous effect on the hands and hour markers.

IP Platinum-Plated Studs: Our studs are IP platinum-plated, enhancing the overall appearance and providing a premium feel.

Similar to Original Ceramic Components: The color of our watches closely resembles original, clean ceramic components, a testament to their high quality. Beware of counterfeit products, and carefully distinguish between genuine and fake.

Perfectly Replicated Luminous Pearls: We've perfectly replicated the Submariner's clean ceramic bezel and luminous pearls with warm-toned luminous pearls, ensuring exceptional luminous performance.
