Short Description

Dear discerning friends, let's explore this replica Rolex Datejust M126334 watch released by Clean Factory. Available in silver and white, it's powered by a custom caliber 3235 movement. This exceptional watch will captivate you.

Description

Thank you for your continued interest. We continue to present you the Rolex Datejust 41mm replica watch. This watch features a silver-white dial and is paired with two metal straps with slightly different details. The first impression of this watch is refreshing. The dial is clean and uncluttered, with a brilliant finish. The luster is excellent, and the more you look at it, the more you appreciate it. This is a watch that will stand the test of time, simple yet timeless, and will accompany you for many years without becoming outdated.

Let us further analyze the various advantages of this watch:

It is equipped with a 1:1 super-cloned 3235 automatic movement, offering a 72-hour power reserve and featuring a non-stick finish for enhanced stability.

Thank you for choosing the Clean Factory replica Rolex Datejust 41mm, model

m126334-0028. The watch is crafted from high-quality 904L stainless steel and is presented on a factory bracelet and an IP vacuum-plated platinum bezel. The gray dial is meticulously crafted to closely resemble the original, showcasing exquisite detail and color accuracy.

The date font perfectly matches the original, allowing for a side-by-side comparison of the font from day 1 to day 31.

The luminous hands and hour markers utilize Swiss C1+C3 luminous powder, processed by a third-party factory, for color consistency.

The crown and indices are fully electroplated in white gold, exuding an elegant appearance.

While our selection may be limited to simple designs, each product addresses most of the original's shortcomings, offering exceptional quality and craftsmanship. Our commitment is to provide the ultimate experience.

Specification

Features
