Short Description

Welcome, friends. Let's explore this replica Rolex Datejust M126334-0002 watch released by Clean Factory. This replica watch is available with a blue dial and equipped with a custom 3235 movement. Whether it is the exterior design, glossiness, or internal movement, it is strictly compared to the original one-to-one, striving for excellence and satisfying you.

Description

I'm honored to take this opportunity to introduce the 41mm Rolex Datejust M126334-0002, meticulously crafted by Clean Factory. The dial features a classic blue and is paired with a fine-checked metal strap. The dial retains the classic Datejust design, with a simple, clear calendar display and a refreshing feel. The elegant and refined blue color scheme is sure to capture your heart.

Clean Factory presents the Rolex Datejust 41mm series, a meticulously crafted replica of a Rolex watch. Equipped with the Rolex Date 72-hour free-standing movement and a one-to-one Supercaliber 3235 integrated movement, this watch combines both aesthetics and stability.

Learn more details below:

The watch is crafted from 904L stainless steel and is available with an AR steel bracelet and an IP vacuum-plated platinum bezel, ensuring fading resistance and free replacement.

The dial's sunburst pattern closely resembles the original, while the market-exclusive calendar font allows for true 1-31 date comparison.

The hands and hands achieve identical luminosity by using the same colors, using a third-party factory for processing, and sourcing Swiss C1+C3 luminous powder in-house.

The platinum-plated nails and crown markers add a touch of luxury to the watch. While Clean Factory watches offer a limited range of styles, each one is a masterpiece, addressing common industry concerns with its commitment to perfection.

Clean Factory presents the Rolex Datejust 41mm collection, a meticulously crafted replica of a Rolex watch. Equipped with the Rolex Date 72-hour free-standing movement and the one-to-one Supercaliber 3235 integrated movement, this watch combines both beauty and stability.
