Short Description

Thanks to you, we stay professional. Hello everyone, let's explore the lineup from Clean Factory.

This replicated Rolex Datejust Ref.126334-0001 is launched by Clean Factory. It is available with a blue dial and fitted with custom Cal.3235 movement.

Committed to superior craftsmanship, we present more high-quality replica watches with professional workmanship.

Description

Welcome to Clean Factory! Now let's take a closer look at this replicated Rolex Datejust Ref.M126334-0001, 41mm timepiece.

This watch features a blue dial paired with a metal bracelet. The classic Datejust dial design stands timeless and has endured through generations.

The distinctive blue tone offers a refreshing alternative to mainstream black and white dials. Its gentle charm is bound to win you over.

Powered by a high-performance 1:1 super clone Cal.3235 automatic movement, it delivers a 72-hour power reserve. The rotor is finished with anti-adhesion decoration for enhanced stability.

The watch case is crafted from premium 904L stainless steel, matched with factory-made bracelet and IP vacuum platinum-plated bezel.

The dial undergoes meticulous finishing, achieving striking similarity to the genuine watch with refined details and precise color reproduction.

The date wheel typography perfectly matches the original; fonts from date 1 to 31 can be compared side by side.

Hands and hour markers are coated with Swiss C1+C3 luminous powder processed by a specialized manufacturer to guarantee uniform luminescent color.

The crown and indexes receive full white gold electroplating for an elegant aesthetic.

Even though we focus on minimalist styles, each watch addresses common flaws found in other replicas, delivering outstanding build quality and craftsmanship. We strive to bring you an ultimate wearing experience.

Thank you for choosing the Clean Factory replica Rolex Datejust 41mm. We are committed to premium products and service to maximize your satisfaction.

Specification

Features	
Brand	Rolex
Model	Datejust
Serial Number	M126334-0001
Gender	Man
Movement Type	Automatic Movement
Movement Model	Cal.3235 Automatic Movement

Case Size	41mm
Case Material	904L Stainless Steel
Hands and Markers	Black-edge hands and hour markers precisely replicate the design and shape of the original
Bezel	Fluted bezel made of white gold, a classic feature of the Rolex Datejust series. The fluted design adds texture and elegance, complementing the overall aesthetic of the watch.
Crystal	Scratch-resistant sapphire crystal with an anti-reflective coating for clear visibility and protection against daily wear. The Cyclops lens magnifies the date window for easy reading and is a signature feature of the Datejust series.
Dial	A clean, sophisticated dial with a refined design that highlights the simplicity and elegance of the Datejust series. Luminous hour markers and hands for enhanced readability in low light. Date window at 3 o'clock, magnified by the signature Cyclops lens,
Bracelet	Jubilee bracelet made from 904L stainless steel, known for its comfort and durability. Oysterclasp with Easylink 5mm comfort extension for an adjustable, secure fit. The intricate design of the Jubilee bracelet offers a sophisticated and classic touch.
