Price: ~~\$699.00~~ \$499.00

Short Description

I'm grateful for the opportunity to meet you and recommend this Rolex Datejust M126334-0016 replica watch released by Clean Factory. The replica watch is available with a blue dial and is equipped with a customized 3235 movement. It has a beautiful appearance and excellent texture, making it a high-quality replica watch.

Description

This is a noteworthy replica watch. This meticulously crafted Rolex Datejust M126334-0016, measuring 41 mm, comes from a clean factory. The dial is blue and paired with a fine-grained metal strap. The dial's indices are exquisitely crafted with diamonds, creating a gorgeous and opulent experience. The deep blue is captivating. Despite being a replica, the craftsmanship remains uncompromising, showcasing unparalleled quality. Furthermore, this watch is equipped with the Rolex Datejust 72-hour free-standing movement and the one-to-one Supercaliber 3235 integrated movement, offering both aesthetics and stability.

The watch is crafted from 904L stainless steel and is available with an AR steel bracelet and IP vacuum-plated platinum toothed ring, ensuring fade resistance and free replacement.

The dial's sunburst pattern closely resembles the original, while the unique calendar font allows for true 1-31 date contrast.

By using the same color, employing a third-party processing facility, and purchasing Swiss C1+C3 luminous powder in-house, the hands and studs achieve identical brightness.

This makes this a highly anticipated replica watch, and I believe your discerning eye won't want to miss it.

Specification

Features	
Brand	Rolex
Model	Datejust
Serial Number	M126334-0016
Gender	Man
