Description

Welcome to Clean Factory! Check out this issue's replica Rolex Datejust M126234-0047, measuring 36 mm. The dial is dark green and paired with a metal strap. The Datejust is one of Rolex's most classic models, and this replica embodies this classic with its simple design and stylish green color. Its striking appearance is not to be underestimated, and the quality and craftsmanship within are undeniable, meticulously crafted to emulate the original. We may not be able to surpass the classics, but we will always pay tribute to them, ensuring their continued existence.

Here are some more details:

Equipped with a 1:1 super-cloned caliber 3235 automatic movement, it offers a 72-hour power reserve and features a non-stick finish for enhanced stability.

The entire watch is crafted from high-quality 904L stainless steel and features a factory-produced bracelet and an IP vacuum-plated platinum bezel.

The gray dial is meticulously crafted to closely resemble the original, with exquisite details and accurate color. The date font is an exact match to the original, allowing for side-by-side comparisons of the fonts from day 1 to day 31.

The luminous hands and hour markers utilize Swiss C1+C3 luminous powder, processed by a third-party factory, ensuring color consistency.

The crown and indices are fully electroplated in white gold, exuding an elegant appearance.

While our selection may be limited to simple designs, each product addresses most of the shortcomings of the original models and offers exceptional quality and craftsmanship. Our commitment is to provide the ultimate experience.

Thank you for your interest and browsing. We are committed to providing excellent products and services to ensure your utmost satisfaction during your shopping experience. We look forward to your purchase and will always be here for you.
